Aberjona Clean-up

Saturday May 4, 2024
9 AM - 12PM (rain or shine)

Pick your favorite location for litter pickup and invasive control at 4 sites around town

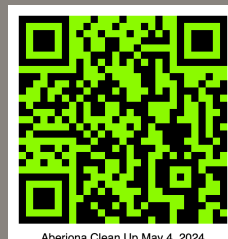

Environment and Community Service

The Winchester Conservation Commission is sponsoring its annual event to improve the habitat, environment and water quality along the Aberjona.

- Pick up litter and/or cut back and remove invasives (bittersweet, knotweed, etc.)
- 4 locations between 9AM - 12PM
 - Judkins Pond - Meet/join at Griffin Museum parking lot
 - Behind Stop and Shop - Meet/join at parking lot on the east side of Stop and Shop
 - Elliot Park - Meet/join at Elliot Park near Wedge Pond
 - Train tracks near Winchester High School Playing Fields (Ciarca Fields) - meet at parking lot close to tracks
- Wear clothing that covers your legs, feet, and arms
- Pick up litter >>>we provide plastic gloves and garbage bags
- Cut back and remove invasive plants - identified by Conservation Commission >>>Bring pruners / loppers. We will have a few tools available
